

Melbourne Hand Rehab custom makes leather splints to fit your patient individually. Our splints provide maximum support for long term use of chronic injuries, including osteoarthritis and chronic wrist pain.

Our braces allow for a comfortable degree of movement, while providing exceptional support for the wrist.

### Leather Splint Order Form

Splint and delivery pricing as of July 2023.

**Special requests**

Examples may include:

- Extra negative space around ulnar styloid or over bony prominence
- Extra support on volar wrist
- Strap orientation – buckles usually placed along radial border, so fastened pulling dorsally from radial to ulnar side of forearm
- Fourth strap at wrist crease

## How to make the plaster mould

Watch our instructional video for details on how to make the plaster mould:

[www.melbournehand.com.au/health-professionals/leather-splint-orders/](http://www.melbournehand.com.au/health-professionals/leather-splint-orders/)

## To place your order

Please send the **completed order form** and **plaster mould** to our Mill Park Clinic at:  
351 Childs Road, Mill Park 3052. Once received, you will be contacted regarding payment for the leather splint.

The completed splint will be mailed via Australia Post (with tracking) to the treating therapist at a cost of \$14.10
